

# Just call me A Big Chicken! . . .

I've wanted to meet my neighbors you see  
I know they're all as nice as can be!  
My Tupperware Lady tells me it's true.  
She has a great way I can get to know you.  
We'll meet each other and have some fun.  
While learning, sharing and then some.  
So this is the place on this day to be!

I'd like you to come to my  
Tupperware Party!

. . .For not  
meeting you  
sooner!
