Surprise Her!

*My Favorite!
She thinks she's
coming to a
"regular"
Tupperware
Party!*

Delight Her!

*Let the Bride
know in advance
and let her
create her very
own Registry!*

Surprise Her!

You'll need someone to make sure she gets there! All the presents will be wrapped and hidden away until the end of the "Demo"! When she brings up her order form....we tear it up and... SURPRISE! The fun begins!

Everyone shops in advance for the Bride and places their personal order that evening! It's really 2 parties in one for the Host! On the "pre-order" the Host can use the free products as her personal gift to the Bride or select products for door prizes to be given away at the Shower! On the second order, the Host has the option of selecting something for herself or may choose to let the guest of honor shop for more!

Delight Her!

Tell the bride-to-be! She'll be so excited! This will be the most practical Shower she'll have! Give her a catalog to create her very own wish list! This list will be sent out with the invitation! Everyone calls the consultant with their order so that nothing is duplicated! Now with our catalogs on line, her guests will be able to "log on" and view the items they're purchasing!

*So many more options are available!
Say "I do" to a Tupperware Bridal Shower!*

Poem to the Bride

(this could be used at the Shower)

Greetings to you, the girl of the hour
We've come together to give you a shower.
Not china, not silver, nor a gift that is rare,
But beautiful, practical TUPPERWARE!
Because you're you and your friendship we treasure
We want you to choose what gives you most pleasure
Selections are many and varied and vast
For your kitchen or work we know they will last!
So, on with the games and fun that we share
Get with it Girl and open your Tupperware!

Introductory Game

Have guests give their first name, a means of transportation, and a place that they want to go on their Honeymoon. All to start with the first letter of their first name! Example: "My name is Mary, we traveled by Mule when we went to Montana, or "My name is Cathy, we traveled by Car to California" This gets the guests involved in having fun!

Door Prize

Give a door prize to the guest who's anniversary is closest to the Bride's wedding day!

How well do you know the Bride and Groom?

Have all of the guests number their paper from 1—10, including the Bride to Be! You read the following questions and everyone writes their answer! After all of the questions are read, the Bride to Be shares her answers! The guests with the most right... wins!
