

# Just Call Me a BIG Chicken....

## For Not Meeting You Sooner!

I've wanted to meet my neighbors you see  
I know they're all as nice as can be  
My Tupperware consultant tells me it's true  
She has a great way I can get to know you  
We'll meet each other and have some fun  
While learning and sharing and then some  
So this is the place on \_\_\_\_\_ to be  
I'd like you to come to my Tupperware Party.
