Consistency is the key to successful dating. "March" up to the plate and hit a home run! You will get some "No's" but never forget that the next call may be a "Yes"! With each call made, you get closer to your goal.

Have passion for what you are doing! There is a big difference between *actions* and *words*. Optimism is a gift! As the saying goes: Just do it!

Do your homework before you call. Know your Host Gift & Sales Specials, and Attendance Specials.

Smile and nod while you talk. It reflects in your voice!

Learn to date on purpose, not by accident.

Successful people are made not born. Be your own personal trainer!

Possibilities are only realized when action is taken.

Prepare a list of names and phone numbers before you begin. Now begin.
