

Rainbow Jello Mold

3 small boxes of jello—different flavors
3 cups boiling water
3 cups vanilla ice cream

Dissolve one small pkg. jello in 1 cup boiling water. Add one cup vanilla ice cream. Stir until melted, pour into Jel-ring Mold. Set in refrigerator for 30 minutes.

Repeat steps with new layers and colors every 30 minutes.

Leave set up for at least 3 hours before serving. Un-mold and slice to serve.

Cranberry-Orange Jelled Salad

1 pkg, of fresh whole cranberries
2 medium oranges with skins
1 cup sugar

3 –3oz pkgs, raspberry or orange jello
3 cups boiling water to dissolve jello
1 cup 7-up or ginger ale

Wash oranges. Leaving skins on, cut and put in blender with cranberries. Add 1 cup sugar and mix. Chill in refrigerator.

Mix 3 pkgs of jello with 3 cups boiling water. Add 1 cup 7 up or ginger ale and 1 cup orange-cranberry relish. Pour into Jel-ring mold and refrigerate until set.

Frozen Fruit Salad

1 3 oz pkg jello-any flavor
1 small can frozen lemonade
3 cups cool whip
Fruit of your choice
Pam non stick spray

Dissolve 1 pkg, jello with 1 cup boiling water to jello. Add frozen lemonade. When it starts to set, add cool whip and fruit. FREEZE in lightly Pam-sprayed Jel-ring mold. Dip the ring in hot water before un-molding.

Other uses for the Jel-ring

- 1) Use for “food presentation”. Prepare mash potatoes, rice, potato salad or macaroni salad. Fill lightly sprayed mold with food. Flip out and serve on platter.
- 2) Use to mold meat loaf. Prepare meatloaf recipe. Press in lightly sprayed mold. Flip out onto baking sheet and bake. Fill center with rice or mashed potatoes.
- 3) Use to mold Rice Krispie treats. Prepare as usual. Flip out on cake take base and serve.
