

## No Bake Strawberry Delight

Makes 20 servings

### Ingredients

- 1 Angel food cake broken into small pieces
- 1 small pkg. Regular or Sugar-free strawberry gelatin
- 2 cups boiling water
- 1 pkg. frozen unsweetened whole strawberries, thawed
- 1 - small pkg. Regular or Sugar-free Instant Vanilla pudding mix
- 1 small container cool whip topping

Tear the Angel food cake into bite size pieces and lay them on the bottom of your Ultra Pro Lasagna pan or Snack-Stor large container. In a Tupperware bowl dissolve gelatin in boiling water. Stir in Strawberries. Pour over cake and gently press cake down. Refrigerate until set, about 1 hour. Following the directions on the box, prepare the Instant Vanilla pudding mix. Spoon over strawberry gelatin layer. Spread with whipped topping. Refrigerate until ready to serve.
