Fabulous Veggie Medley

Place in smart steamer the following
1/2 red bell pepper sliced into strips
1/2 sweet potato & 1/2 regular potato
(do not peel!) wash & cut into country fries

1 ear of corn on the cob - cut into three or four sections

2 wedges of cabbage

Cauliflower, broccoli, and fresh green beans. As much that will fit into the steam and get the cover on correctly.

Run fresh water run over the veggies in the middle portion of Steamer, let the water drain off veggies. Place on bottom with water to the fill line and cover the steamer. Do not need strainer for this. Place in the microwave and cook for 16-19 minutes on high.

The point, is you can have what you like - if you don't like cabbage don't take cabbage..... People are in awe and love the taste.
