discounts, incentives and tax benefits.

Why should you choose Tupperware?

- 1) 60+ year history of success with **BRAND NAME RECOGNITION** and **SOLID FINANCIALS**.
- 2) Fortune 500 Company, traded on the NYSE, which gives transparency.
- 3) A company with a cause. Tupperware is a major contributor of the Boys & Girls Club of America.
- 4) No inventory needed. Consultants collect orders and then submit to the company. Products are delivered within ten days.
- 5) No auto-ships. You control your ordering.
- 6) **No product competition.** Our precision molding, innovative products and lifetime warranty separates us from the copy cats.
- 7) Start up for **\$39 plus tax**.
- 8) **Free Car Program.** Really free. Not a cash allowance once you've committed yourself to a lease. It's a free car with lease payment, insurance, registration and tires paid by the company.
- 9) Established training systems with online **AND** personal support.
- 10) Everyone needs our product. Young, old, large families and singles. Everyone eats, so everyone needs our product.
