

Tupperware®

Help create a change for the better in a child's life.

It's amazing how much difference one day can make in a young girl's life, and days are exactly what your contribution can help support. As part of our ongoing effort to help enlighten, educate and empower women and children, we've created an initiative we call *Change for the Better*.

Every day in Boys & Girls Clubs of America SMART Girls program and the Boys & Girls Clubs of Canada Take It E.A.S.Y. program, children learn to value and trust in themselves and in what they can become.

You and your customers can help in two ways. First, you can purchase a fundraiser item from the Tupperware catalog and we'll make a donation to the Boys & Girls Clubs of America or Boys & Girls Clubs of Canada depending upon where you live.

Second, you and/or your customers can turn spare change into lasting change when you select the option to round up your purchase amount to the next highest dollar. As a great conversation starter, we've created a consumer flyer you can print and display at your party. As you calculate your customer's order, tell them "Tupperware is committed to helping enlighten, educate and empower women and children and you can help by rounding up your order to the next highest dollar."

New order forms featuring a message about rounding up purchases will be ready for order in the U.S. during the first part of September and approximately the beginning of October in Canada. But you don't have to wait! So that you can deplete any existing order forms you may have, you can write in the donation round up amount on those order forms and enter it in My Sales. Customers who round up their purchase can use the order form as their tax receipt.

When entering the order in My Sales Web Application, you simply check the "Change for the Better – Round up to the next dollar" option located on the order summary page (ordering details below). Should there be an error in your calculation of the round up donation amount, the My Sales feature will catch it and adjust to the correct amount.

All donations are to the Tupperware Brands Foundation to be used to support the SMART Girls program in the U.S. or the Take It E.A.S.Y. program in Canada.

Ordering Details

On Customer and Host Orders the "Change for the Better – Round up to the next dollar" option is located on the Order Summary section of the Order Summary page.

Example: Customer Order Summary Section Unchecked
