

# **TUPPER-**

**Have hosts that do not have a location to host, but would love free Tupperware? Invite them to hold their party during our multiple host event!**

**Have customers that want to attend a party, but not host? Invite them to be YOUR guest at YOUR party!**

**Just want to learn a new demo or how to "flow your party"? Come for training!**

**As a consultant, this is the easiest party you'll ever hold! Party plan just as you would an in home demonstration. But...you don't have to do the demo! Just bring your catalogs, order forms, calculator, small party gift for each guest, conversation starter/dating gift for each host and party planning packets. All the "supplies" that you would take to a party.**

**As a host, they should bring friends, outside orders and refreshments for their table. I highly recommend that you party plan using the Tic Tac Tupper for Fun Night.**

**Imagine your profits if you plan several parties for this night?**

**We will be recognizing:**

**Host with the most outside orders**

**Sales force member with the most # of guests in attendance**
