

Yields: about 2 cups of paint

6+
minutes

PREP: 5 minutes
COOK: 1 minute, 30 seconds

Homemade FINGER PAINTS

$\frac{1}{4}$ cup cornstarch
 $\frac{1}{2}$ cups water
Few drops food coloring of choice

1. Stir together cornstarch and water in 2-cup/500 mL Micro Pitcher. Microwave on high power 1 minute, 30 seconds. Remove from microwave and stir until smooth.
2. Divide cornstarch evenly between four Snack Cups. Stir in a few drops of desired food coloring into each Snack Cup until well combined. Use immediately and discard after use.

Note: Paint may stain fingers and fabric.

Super Shine SLIME

$\frac{1}{2}$ cup Elmer's glue
 $\frac{1}{2}$ cup water
 $\frac{1}{2}$ cup liquid starch

1. In a medium bowl, stir together glue and water.
2. Add liquid starch. As you mix it gets less watery and you can knead it with your hands.
3. Store in a snack cup or other liquid tight container up to 7 days.
*Best for outdoor play. Do not place slime on furniture or other surfaces that stain easy.
