# COLD BREW CARAFE

---

COLD is the New HOT

**Tupperware®**

## **COLD BREW** **THE SMOOTHEST BEVERAGE IN TOWN.**

Cold brew allows for slow and gentle steeping. The result? The smoothest, richest-tasting coffee you've ever had.

MARKINGS MAKE IT EASY!

**A new brew.**  
See our Cold Brew Carafe in action.

**Dual Purpose Cover**  
When not in use as a cover, flip it over and use as a coaster for the filter. No messy grounds on your counters!

## **SKIP THE COFFEE SHOP** **AND MAKE YOUR OWN!**

### CHOOSE YOUR GRIND

Extra coarse, coarse or medium coarse grinds work best. The coarser the grind, the richer the brew.

### CHOOSE YOUR STRENGTH

Use to create coffee concentrate or ready-to-drink coffee. Brew it your way!

### CHOOSE YOUR TASTE

Enjoy the refreshing flavor that cold brew coffee has to offer, giving a twist to traditional coffee.

Add extra flavor with recipes on [Tupperware.com/ca](https://www.tupperware.com/ca).

## PREP AT NIGHT AND YOUR MORNING BREW IS READY TO GO!

Start brewing your coffee in the evening, leave it in the fridge overnight, wake up to a delicious fresh cold brew coffee in the morning!

Explore and discover delicious cold brew recipes and be your own barista!

Reduce and reuse!

1. Freeze coffee leftovers and use the coffee ice cubes in cocktails or coffee milkshakes.
2. Compost leftover tea or coffee grounds!

\*For safety, use and care instructions see the product manual.
