Have an incredible \$1000 Party! Here's How!

Hello Wonderful Host!

Thank you so much for dating a Tupperware Party! I want to shower you with great gifts & discounts!

Most of my hosts have \$1000 parties! I would love for you to be added to the Host Granders Club! Here are some success tips to help you reach your goal!

1. **Over-Invite!** Invite everyone and anyone you know! Don't hold back: friends, relatives, neighbors, co-workers, church friends, business contacts- and the list goes on!
2. **Personally Invite!** In this day and age we tend to only invite over Facebook & Text (which is a great way to invite) But making a personal phone call or face to face invite means a lot and will help you with your guest count. Call everyone the day before and remind them of the party & remind them to bring friends!
3. **Collect Pre-Orders!** If they can't join us to the party, ask if they would like to see a catalog and place an order. Outside orders add up fast! Also, ask your relatives or best friend to pass out the catalogs around to help you collect orders.

There you have it! **The blueprint** for a **\$1000 party!** When you call your guests right away & personally invite them you should have 10-12 guests at your party. From the invites that can't come you can get \$200+ in outside orders.

Super Easy Peasy!

Super Duper Excited for your Tupperware Party! I will be there 30 minutes early to set up! If you have any questions, feel free to call me ☺

XOXOXO

How to have an **Incredible \$1000 Party!!**

Hello!

Thank you for hosting a party! I look forward to helping you earn FREE Tupperware!

OK, set your mind on having a \$1000 party and here are some secrets...

\$1000 Incredible Parties are as easy as 1-2-3!

1. **OVER-INVITE!** Invite everyone! Don't hold back - friends, relatives, neighbors, co-workers, church friends, business contacts - and the list goes on! I will send you an invitation to use for your guests – you can invite thru texting, messaging and of course calling!
2. **PERSONALLY INVITE!** Let your guests know that it would make you very happy for them to attend your party. Encourage them to bring “an friend that loves Tupperware”. Call/text everyone who said they would come the day before your party and remind them. Your personal invitation means a lot! Most RSVP's come in the last 24 hours so be sure to remind them again in the last 48 hours!
3. **Collect outside orders!** If they can't join us at your party - ask if they would like to see a catalog and place an order. Ask for the catalog back within 48 hours so you can share with another friend! Outside orders add up - go for it! Ask relatives, your best friend and your best neighbor to pass catalogs around and collect orders for you. You can also have friends go to my website: **TWChick.com** - click Find a Party – and support you! They can view the catalog online as well!

I will send you a few recipes – you may choose one to make at your party. Please let me know what recipe you would like to make – and for providing the ingredients for the recipe you select, you can choose one of our special Thank You Gifts!

*There you have it - The blueprint for a **\$1000 Incredible Party!** When you call your guests right away and personally invite them to 'save the date' - we will have approximately 10-12 guests at your party. Ask your friends to host their own Tupperware Experience and earn free gifts, too.*

Join me in Tupperware as a consultant and you can have an **Incredible Income!** Tupperware has so much to offer! Ask me more – I want to share with you!

Now relax & have fun! It's my turn to do the rest!

STEPS TO PARTY *Success*

Thank you for booking your Tupperware party! Set your party up for success by following these steps.

1. Always personally invite your guests via Facebook messenger, text or invitation.
2. Over-invite because around one-third of everyone invited will attend the the demonstration, live or virtual. Those who are unable to attend may wish to place an order, resulting in more sales to count toward your Host credit.
3. Share your Party Link.
4. Encourage guests to share your invite and bring/add a friend to the fun!
5. Collect outside orders and payments the day of the party.
6. We accept MasterCard, Visa, Amex and Discover. Please be sure to get the customer's name, address, city and zip code as well as their telephone number and email address for all credit card orders.

Please contact me if you have any questions – I'm here to help you have an awesome party!
