HOW TO GET THE MOST OUT OF
YOUR TUPPERWARE LIVE PARTY!

Party Date:_____
Party Time:_____
TUPPERWARE LIVE link: :_____
Shopping link: :_____

Thank you for booking your Tupperware LIVE Party with me! I want to do everything that I can to help you receive the most gifts possible!

Step 1: Create a Wishlist
Start by adding 10+ items from our catalog to your wishlist. Send me a picture of your wishlist, and you will receive your FIRST bonus gift from me!

Step 2: Over-invite:
Our goal is to have at least 10-15 guests join your TUPPERWARE LIVE party, so make sure to invite **at least** double. Anyone across the US, and anyone living overseas with an APO or FPO address can join. The key to having great attendance is to **PERSONALLY INVITE** each person. I will provide a message that you can copy and paste in a text to make it really easy. When you have at least 10 guests attend the LIVE, you will receive your SECOND bonus gift from me.

Step 3: Remind everyone
We live in a busy world & a reminder the day before is a great thing! Let them know you're looking forward to having them join us.

Step 4: Work on outside orders from friends that can not "attend".
If they aren't available, or just don't have time to join the party, your friends can place their order using the shopping link. When they visit my website _____ they should click on "open parties" and look for your name, or you can share the shopping link above.

Step 5: Be engaged in your party!
During the Party, be as interactive as possible. Use chat to welcome your friends and comment in the chat about products

Step 6: Now for the best part—FREE AND HALF OFF ITEMS!
Now, let's get to the FREE TUPPERWARE you can earn JUST for having this Party! The higher your party sales, the more you will earn.

- You'll receive a booking gift just for saying YES!
- When you achieve $200 in sales, you may choose one of our Thank You gifts
- At $300 you begin earning half price items. The bigger your party, the more ½ price items you earn. You are welcome to shop from the sale flyer but all free and half off items must be chosen from the regular catalog, not the sale flyer.
- At $300, you begin earning host credits. One host credit is equal to $1 in Free Tupperware. The bigger your party, the larger % you will earn.
- When you have 2 bookings (two friends that book a party of their own), you will be able to maximize your host credits by choosing one of our host gift special gifts. This typically gives you twice as much value. When you have one booking before your party, you will receive your THIRD bonus gift from me. Ask your friends!

Again, thank you for hosting this virtual party with me. Let's have fun working together to get you the most gifts possible!
