AWARD: Virtual Recognition +
Business Builder Pack Award (all
levels)

WHO IS BROWNIE WISE?

Brownie was the true PARTY planner who brought to life the Tupperware products. She believed in the power of building relationships. She was the first woman on the cover of Business Week, and first female Executive of Tupperware. She was a true visionary and builder of people, and so we honor her legacy by naming this program after her.
"If we Build the People, They'll Build the Business."
