NOVEMBER 2026 – SALES FORCE SUCCESS GUIDE

Inspire Every Kitchen.

Share Every Moment.

As the season turns to gathering and sharing, customers are looking for simple ways to create memorable moments around the table. This month, inspire them with solutions that keep ingredients fresh, organized, and ready for every recipe.

Recruit phrases: Inspire and invite

"Whether you love organizing every shelf or gathering people around the table, your passion could be the start of something rewarding."

"You're the one who brings people together. Why not turn that talent for gathering, sharing, and connecting into a business of your own?"

Social thought starters (plug and post)

"What's one ingredient you always keep stocked and ready in your kitchen?"

"If you could organize one area of your kitchen today, what would it be?"

"What's one recipe everyone asks you to make when family and friends gather?"

Party ideas: Connect and party

Beautifully Organized Kitchen Party

Benefit: Show guests simple solutions for keeping ingredients fresh, organized, and ready for every recipe.

Host Hook: "I'm always looking for ways to make my kitchen feel a little more organized and a lot more functional. Let's get together to share favorite tips, fresh ideas, and products that make everyday cooking easier."

Gather & Share Party

Benefit: Inspire guests with products and recipes that make it easy to prepare, serve, and enjoy delicious moments together.

Host Hook: "Some of the best memories are made around the table. Let's get together for great ideas, simple recipes, and products that make sharing meals with family and friends even easier."
